Welcome Message

ANNUAL ARTHROPLASTY CONFERENCE HYDERABAD - 2018

Dear Colleague and a valuable Ortho citizen,

Under the aegis of TCOS and TOSA, It gives us great pleasure to invite you to the first AACH on 24th and 25th February 2018. Arthroplasty has grown by leaps and bounds in the recent years and we felt it is high time we have an arthroplasty course in Hyderabad to help aspiring and practicing arthroplasty surgeons interact with masters in arthroplasty from across the world. We have put together an academic feast including panel discussions, interesting case discussions, technique videos, current controversies and live surgical demonstrations by a host of international and national faculty. In addition we have free paper sessions on both days to allow young and upcoming arthroplasty surgeons to showcase their work on an international platform.

The event : Annual Arthroplasty Conference- Hyderabad

Venue : HICC Novotel Hyderabad

We take pleasure in the announcement of a conglomeration of eminent and experienced faculty and surgeons from across the world, who will bring their expertise knowledge and the contemporary science in the field of arthroplasty and orthopedics and impart it to the fellow ortho community.

The encouragement and enthusiasm of the ortho stalwarts will greatly benefit the participating ortho community and better still is that this event will be organized every year from now on.

In this year's inaugural event we have International Delegates and eminent faculty from USA, Australia, UAE, UK, Germany and prominent surgeons across India. We hope to see you in February at Hitex Hyderabad.

What this Conference would cover :

- Conference Workshops
- Live Surgeries, including Robotic Uni Knee replacement
- Navigation Hip and Knee Surgeries
- Direct Anterior Approach (DAA) to Hip
- Super Path Hip
- One to one interaction with Faculty During the course.
